

Update OpenStreetMap today!

Our project website and documentation can be found at ***osm.org*** (www.openstreetmap.org). Signing up is quick, easy, and free of charge.

We also have a wiki with a wealth of project information, topic- and country-specific mailing lists, and a Q&A help system if you get stuck.

OpenStreetMap data is published under the
“*Open Database License 1.0*” (ODbL). Anyone can
share, adapt, and create works from our data freely,
provided that they give attribution to
“© *OpenStreetMap contributors*”, and share any
adapted databases under the same license.

The map above shows an OpenStreetMap rendering of London. Just like the map on the other side and the globe on the front page, it was created with Open Source software. Many Open source software projects have been created especially for OpenStreetMap.

This flyer created by Andy Allan (www.gravitystorm.co.uk) and updated by Alex Kemp (osm.org/user/alexkemp)

Order these flyers at shop.opencyclemap.org
